## USE INSTRUCTIONS

**USE-DILUTION STORAGE:** Use solution within 7 days. If product becomes visibly dirty or contaminated, the use-dilution must be discarded and fresh product prepared. Always use clean, properly labeled containers when diluting this product.

**TO CLEAN:** Dilute according to instructions. Spray surface and wipe with a clean cloth or paper towel. Change towels or cloths when dirty to avoid re-depositing soil. Do not mix with bleach or any other cleaners. Do not reuse or refill this container.

## SAFETY PRACTICES TO FOLLOW

It's good business practice to assure that your employees have read and understood the product labels and Safety Data Sheet before using this product. The label use directions and SDS contain important hazard warnings, precautionary statements and first aid procedures. This information is available on-line at [www.scjohnson-professional.com](http://www.scjohnson-professional.com) or by calling 800-294-3632. Wear personal protective equipment, chemical-resistant gloves and chemical splash goggles, when dispensing concentrates. Improper use of product may damage surfaces and may result in physical harm to the user.
